## QUALITY ASSURANCE

### About Me

Hi, I am a 22-year-old aspiring a Manual QA Tester passionate about software quality. I focus on identifying issues, ensuring functionality, and improving user experience. I aim to build a career in Quality Assurance, helping develop reliable and efficient applications. With a keen eye for detail and a problem-solving mindset, I'm committed to continuous learning and delivering high-quality

### Education

#### Tertiary

2025

Phinma Araullo University - South Campus

- Bachelor of Science in Information Technology Major in Web Development

#### Secondary

2021

Core Gateway College Inc.

- Specialized in Gas (General Academic Strand)

### Expertise

#### Web Development

Using HTML, CSS, JavaScript, and Bootstrap to develop functional, responsive, and user-friendly web designs.

#### Tester

Utilizing U-Test to conduct comprehensive quality assurance testing. My testing process includes identifying bugs, validating features, and providing detailed feedback to enhance user experience and overall performance.

As an OJT intern in Manual Quality Assurance at Microsource, Inc., I develop logical and critical thinking skills to ensure the quality of software. I help identify and solve issues, providing feedback on projects to ensure the best possible user experience.
